Re: Docket # 1364982-91504

To the Commissioners:

I have received notice that the Glenoaks Station at 1634 San Fernando Road in Burbank California is scheduled to close and box holders are now expected to get their mail in Olive Avenue post office. I object to this closure.

I have had a box at the Glenoaks Station since approximately 1986. When I have had occasion to mail something at the Olive post office, I found available parking spaces often nonexistent and when I managed to park the lines for service were very long (often out the door), slow, and tedious. It seems counter-productive to close a post office and shuttle box holders to a very busy post office with limited parking. If, as I expect, parking and service times are unduly time consuming, I will be forced to rent a personal mail box and use alternative sources for file shipping which I do on a regular basis at the Glenoaks Station – thus reducing further the use of postal services. Please reconsider this decision.

Very truly yours,

Charlotte E. Costan
